

Parents need security. Not half-knowledge.

WHY ANOTHER AI?

25 %

less traditional search traffic

87 %

prefer personalized, direct answers

ADVANTAGES

TECHNICALLY CORRECT ANSWERS

Higher quality according to German standards due to pre-filtered sources.

COURSE SEARCH

Course search by environment with filtering option is unique and based on over 10K course entries.

MANIPULATION

Training data comes exclusively from approved websites. No input from third parties is permitted.

WHO WE ARE

We've been working with experts like midwives and doctors for over 25 years. Their expertise is now more precisely selected.

Our heart ❤️ is in making information easily accessible. For EVERYONE.
